## Fourth International Conference on Establishment Surveys Survey Methods for Businesses, Farms, and Institutions

June 11–14, 2012, at the Sheraton Centre Montréal, Montréal, Québec,  
Canada

### ICES IV Registration Now Open

The International Conference on Establishment Surveys serves an important role in the world of survey methodology. It is the sole international conference focusing solely on methods and applications for establishment surveys. The conference covers a broad spectrum of survey methods for businesses, farms, and institutions. This fourth conference will continue tradition from earlier successful conferences. It is held June 11-14 in Montréal. Examples of topics include:

- Efficient Use of Administrative Data in Business Surveys
- Advances in Disclosure Protection
- Advances in Small Area Estimates, Managing Metadata
- The New Direction of Business Surveys
- Collecting Data Electronically from Businesses
- Factors that Affect Establishment Survey Participation
- Generalized Survey Processing Systems - An Update
- Measuring Nonresponse Bias

Join us for an exciting program, short courses and tours. Register today. Early Bird Registration closes on March 29, 2012. Advance Registration closes May 23, 2012. Learn more at <http://www.amstat.org/meetings/ices/2012>.
