

Autumn Meeting 2020:

PhD education in (mathematical) statistics

November 19 – 20

Welcome to Cramérsällskapet – Autumn Meeting 2020 on the topic *PhD Education in (Mathematical) Statistics*. The meeting will take place at Zoom (link will be provided via email).

Program:

Thursday, November 19

- 13.00** **Short welcome by Tom Britton, chairman of Cramérsällskapet**
- 13.10-13.30** **Presentations from different departments:**
Thomas Holgersson, Linnaeus University
Mia Deijfen (?), Stockholm University (Math Stat)
- 13.30-14.00** **Thomas Holgersson, Linnaeus University**
Title: *National networks for graduate education – some different models and considerations*
- 14.00-14.10** **Short break**
- 14.10-14.40** **Presentations from different departments:**
Nicklas Pettersson, Örebro University
Stanislav Volkov, Lund University (Math Stat)
Rolf Larsson, Uppsala University (Math)
- 14.40-15.10** **Niels Richard Hansen, Copenhagen University**
Title: *The Danish PhD-programs in statistics*
- 15.10-15.20** **Short break**
- 15.20-16.30** **Presentations - Doctoral students:**
Christoffer Olsson, Uppsala University
Maria Juhlin, Lund University
Erik Thorsén, Stockholm University
Gustav Alfelt, Stockholm University
Olof Zetterqvist, Chalmers/GU
Kira Coder Gylling, Örebro University
Tetiana Gorbach (PostDoc), Umeå University
- 16.30-17.00** **Ola Hössjer, Stockholm University (Math Stat)**
Title: *On my experiences as a PhD supervisor*

Friday, November 20

- 9.00-9.30** **Tom Britton, Stockholm University (Math Stat)**
Title: *Soft skills for mathematicians: writing papers and applications and giving presentations*
- 9.30-10.00** **Jimmy Olsson, KTH**
Title: *Some advice on publishing from an associate editor*
- 10.00-10.40** **Presentations from different departments:**
Marie Wiberg, Umeå University (Statistics)
Krzysztof Bartoszek, Linköping University (Statistics)
Johan Tykesson, Chalmers/GU
Krzysztof Podgorski, Lund University (Statistics)
- 10.40-10.50** **Short break**
- 10.50-11.20** **Aila Särkkä, Chalmers/GU**
Title: *To be a supervisor*
- 11.20-12.00** **Presentations from different departments:**
Jesper Rydén, SLU Uppsala
Martin Singull, Linköping University (Math Stat)
Ingeborg Waernbaum, Uppsala University (Statistics)
Kristofer Månsson, Jönköping University
Jun Yu, Umeå University (Math Stat)
- 12.00-12.05** **Closing words**
